

Dear Parents

17 May 2020

A very good day to all of you

The highest education is that which does not merely give us information but provides us with a key to unlock the doors of our talent and skills.

At APS Akhnoor we remain committed to providing activity based integrated learning environment to our students and prepare them to keep pace with changing times.

After completion of a fraction of syllabus we would like to check the understanding of each child by conducting a small revision test of 20 marks for each subject and every class.
