CHRISTMAS CELEBRATION

Christmas brings cheer and love and APS Akhnoor celebrated it with the same fervour on 24th December 2022 spreading the message of love and joy among the children. Programme started by telling the importance and significance of this festival by Ishika of V E. She told a story about the belief that Jesus Christ, the saviour was born on this very day. Our primary angels of class 3rd 4th & 5th danced on joyful tunes. Even Santa danced on the exciting tunes and distributed candies to children. Carol songs were sung by class 7th & 8th girls, A dance was performed by 8th class boys. At the end carols were played for all the children and they all enjoyed and danced.
