

STORY TELLING COMPETITION

"We are, as a species, addicted to story. Even when the body goes to sleep, the mind stays up all night, telling itself stories."

Giving the wings to their unconfined imagination and taking us beyond the boundaries of physical world, APS Akhnoor conducted an 'Inter Class Story Telling Competition' for students of grade 5 where in little narrators cast a spell of their creative and imaginative skills through their wonderful expression, gestures and voice modulation on everyone. Using variety of props to make their stories interesting and expressive, these budding narrators evolved their innocent minds with valuable morals and kindled their creative skill. Lets witness the oratory and presentation skills and lose ourselves in the magical ambiance created by these shining storytellers.
