

# SUMMER CAMP(2023-24)

**Summer camp- an ideal platform for children and teenagers to learn and have fun. It provides opportunities to learn, make mistakes, evolve and develop new skills.**

APS Akhnoor organized a phenomenal ten days summer camp commenced from 3rd July 2023 to 13th July 2023 in which students from classes I to VIII polished their unrefined finesses and nurtured their unexplored creativities in an unusual manner. Stuffed with laughter, screams of delight and contagious excitement, the ten days summer camp was brimmed with plethora of fun filled games and activities to create an ambience which was infectious and uplifting. Following activities were conducted in four sessions for three distinct groups:

SESSIONS	ACTIVITIES
<b>1. Session - I :</b>	<b>Sports , Art &amp; Craft,</b>
	<b>Music &amp; Dance</b>
<b>2. Session - II :</b>	<b>Self Defence</b>
<b>3. Session - III :</b>	<b>Magic With Science,</b>
	<b>Fun With Maths &amp;</b>
	<b>Literary Club</b>
<b>4. Session - IV :</b>	<b>Life Skills</b>

Being one of the best and positive distractions, this summer camp served as the hothouse of social development and experimentation. Flavoured with the spices of fun, learning and enjoyment, students sprouted in the recreational environment thereby reaped the benefits and bonuses of the activities filled with new hopes, passions, desires and exultations in the camp. A sudden tingling sensation bubbled through out the nerves of students before incepting the cultural bonanza on the concluding day of the camp where happy smiles and cheerful faces beat the summer heat in style. Through their unstructured exploration and magic of imagination, students took risks, broke rules, made mistakes thereby rendered a unique personality and character to the camp.

From being a unique blend of learning, creation and innovation to the entertainment, joy and laughter with friends, this summer camp not only left the students with wide stretched smiles, everlasting friendships and a bag full of cherished memories but with some fresh hopes and desires to structure new explorations and innovations in the next summer camp too.
